

EXPO 2023 Tradeshow

Freight & Liquor

Advisory

Freight Advisory:

Alliance Nationwide Exposition has the responsibility of receiving and handling all exhibit materials and crates for EXPO 2023. Access to loading docks at Paris Las Vegas Hotel & Casino is controlled by Alliance for a safe and efficient move-in and move-out. **Alliance can be reached at (815) 527-0405.**

Exhibitors may hand carry display materials, if the materials can be brought into Paris in one trip, but exhibitors can not use the freight docks unless their material is handled by Alliance. The use of dollies, flat trucks, and other mechanical equipment is not permitted by exhibitors. Alliance is not responsible for any material they do not handle.

Alliance handling charges (drayage) are based on the weight of the freight. Shipments are billed by the hundred weight and rounded up to the nearest hundred. Please see the Material Handling form on the Alliance EXPO 2023 website like (coming soon).

- Freight deliveries sent directly to Paris Las Vegas will be received by Alliance on exhibitor move-in days only.
- Freight deliveries sent directly to Paris Las Vegas are subject to Alliance freight handling charges regardless of the consignee as Alliance is the official show contractor.
- If your freight arrives at Paris Las Vegas prior to the published move-in dates, the facility will take possession of the item(s) and charges will be incurred from the facility in addition to Alliance material handling charges.
- Advanced shipments (arriving before August 4) should be sent and labeled as follows:

Liquor Advisory:

Paris Las Vegas is the sole provider of food and beverage on property. However, they will allow EXPO 2023 Exhibitors to hand out samples at their booth. They will not charge exhibitors a corkage or service fee for handing out beverages or food items (for products manufactured or produced by the exhibitor) as long as the samples are two (2) ounces for beverages and one (1) ounce for food.

If you are handing out a full beer, a full glass of wine, a full cocktail or a full bottle/can of water or an energy drink, you will be charged a corkage and service fee. Also, if you are handing out alcoholic beverages from your booth, you will need to hire a Paris bartender to handle the alcoholic beverage (it's the law).

To reserve a Paris bartender for your booth, to check on corkage and service fees, or to order ice or other related items, please contact Patrice Jurisprudencia, Catering Convention Services Manager at (702) 967-4111, pjurisprudencia@cesears.com.
